Graduate / New Qualified Surveyor – Agency

Burley Browne is looking to appoint a graduate or newly qualified surveyor to work within the Commercial Agency team assisting and supporting the Director and surveyors with all aspects of Agency.

The role will include site inspections for the preparation and submission of marketing appraisals and reports, collation, and analysis of comparable evidence, implementing the marketing of premises to let or for sale, carrying out viewings and undertaking negotiations and reporting updates and offers to clients, updating and maintaining property databases and handling day to day enquiries, with a view to developing and managing their own caseload over time.

We require a Real Estate graduate or newly qualified surveyor who is hardworking and prepared to learn and develop in a fast-paced working environment. Full APC support will be provided.

You will need a full clean driving licence and your own car. The position is available immediately.

How to apply:
