Are you looking for a quick, secure, and effective way to sell your property?
CPN Auctions is here to help!

With exchange of contracts on auction day and access to a wide audience of buyers, selling at auction offers a range of benefits:

Speed and Certainty The auction process ensures a swift sale, with completion typically within 4-6 weeks.

Competitive Bidding Maximise your sale price with competitive bidding from a motivated buyer pool.

Comprehensive Marketing Your property will be advertised locally and nationally, including on major property portals like Rightmove and the Essential Information Group (EIG).

To discuss whether your property is suitable for auction and to get started, contact:
