

# Career Opportunities.

## Unlock your potential.

### Retail / Office / Industrial Agency Surveyors

### Surveyor / Senior Surveyor / Associate levels

We are seeking experienced Commercial Property Agents to support the substantial growth of the agency team.

The ideal candidate will either be working exclusively within either the retail, office or industrial agency sector or potentially across all three. In addition to managing our current agency instructions for an existing and varied client base, you will be encouraged to develop new agency business across the West Midlands area.

The roles available will provide the opportunity to focus on one particular sector.

With the support of the agency team and the wider business, the ideal candidate should be experienced in the sale, letting and acquisition of commercial premises; be MRICS with a minimum of 1 years PQE. The role will include the use of the new technologies employed by the agency team to include Drone and virtual tour technology.

Career progression within the business is encouraged.

Full time, based in our Sutton Coldfield office.
